

Guida all'installazione dell'app Gewa How to install the Gewa app

Per iOS e Android
For iOS and Android

Installare l'app Gewa su iOS

How to install the Gewa app on iOS

Step 1:

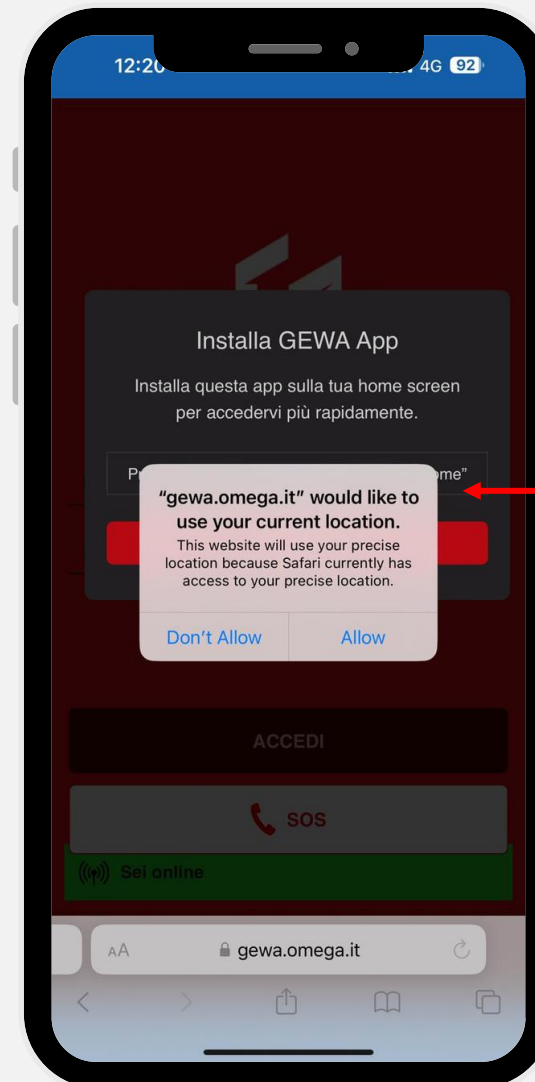

Digitare nel browser gewa.omega.it

Dopodiché, dare o negare il consenso alla localizzazione. L'eventuale diniego impedirà l'invio della posizione geolocalizzata che avviene contestualmente alla chiamata 'SOS'.

Step 1:

Type gewa.omega.com into your browser.

After that, give or deny consent to location. Any denial will prevent sending the geolocated location, which occurs concurrently with the 'SOS' call.
